

“And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.”

# ISAAC DAVID JETMORE

was born April 2, 2001 to his proud parents, Brian and Terry, in Long Beach, California. He was the biggest boy in the nursery weighing in at almost 11 pounds. Everything about Isaac was larger than life - his sense of humor, his style of dress, his dance moves and his love of adventure and skateboarding. Isaac will be remembered most for his outgoing personality and the deep friendships he made along the way. He was an excellent conversationalist and great listener - easy to confide in and remembered for encouraging his friends to be their best. Isaac had a kind heart, a willing spirit, and his presence brought energy, compassion, comedy and just plain fun to all of us.

After an extensive study of the Bible, Isaac chose to dedicate his life to Jehovah God as one of Jehovah's Witnesses. He was baptized on September 9, 2017 and volunteered his time to teach the Bible to all he could. Isaac found great fulfillment in knowing he could make a difference in the lives of others by sharing the hope he had learned.

We love Isaac with all our hearts and we are eternally grateful for the outpouring of love and support. Your heartfelt expressions mean so much to us and will help keep his memory alive. We know Isaac loved each and everyone of you, and we thank you for loving him back!
